# Editors Edict

Hi, I am Leslie Caudell the editor for your 2000-2001 yearbook. I would like to tell you a little about how we came to this idea and what you should expect. At the beginning of the year the yearbook staff sits down and thinks up some themes for the yearbook. Many ideas were considered, but only one was chosen, The Magazine. We thought it was a good idea because it is different and has never been done before at Hopewell High School. We were also able to include the other ideas like, "A New Beginning", "Time of Your Life", and, "Tomorrow". So turn the pages and see what you find in this edition of Kaleidoscope Volume 76. Hope you enjoy it!

What is your best memory of high school?

*"My best memory of high school is just being with my friends and the people I grew up with. When we came in the ninth grade it seemed so big, and now it seems so small. I've had a lot of fun over the past four years"* -Jessi Morrison, Senior

*"My best memory of high school would have to be the first assembly of my senior year. When everyone had to stand until we were all in and seated. That is a day I will never forget."* -Jessica Davis, Senior

# Spirit Week Bonfire 2000

The bonfire is always an important part of the Homecoming week, because it shows that the game on Friday will hopefully be a victorious one. It also proves that the Blue Devils have what it takes when it comes to showing team spirit. This year's bonfire, which took place on Thursday, October 26, was a good start for the Homecoming game. The turnout was very successful with many students, parents, and teachers showing their spirit. The bonfire helped raise everyone's spirit in supporting the team for the win on Friday.

(Below) As soon as the bonfire begins, the PG Royal begins to burn.

## Memories to Last a Lifetime

The prom, titled "Reflections", was held at the Fort Lee Officer's Club on the evening of May 20th and lasted until midnight. Before entering the club, each guest was interviewed by camera for posterity. Towards the end of the evening the Senior Walk was held, where each senior and his or her date is recognized as they circle the room, and The Crowning of the King, Queen, Prince, and Princess. The prom itself was exciting as well.

# Arsenic and Old Lace

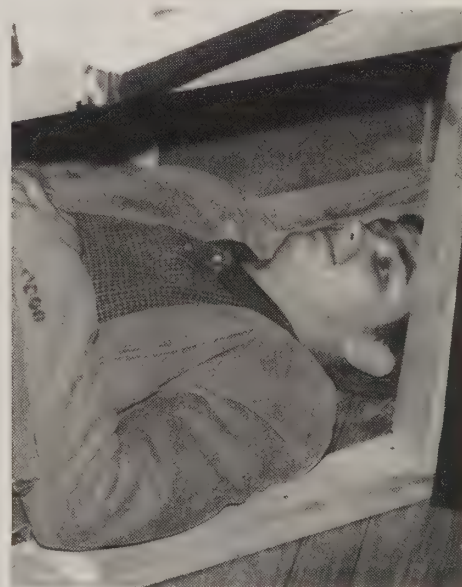

Alex Smallwood gets ready to play the role of the dead person. She's going to be dead meat if she forgets her lines.

The Hopewell High School Drama department has done it again. This year's production of *Arsenic and Old Lace* by Joseph Kesselring wowed audiences with its excellent display of acting and breathtaking scenery. Directed by Carole White, Drama teacher here at HHS, the production played on May 12th, 13th, and 14th. The story revolves around the Brewster family: Two lovely aunts who love to help lonely old men (by poisoning them in their cellar), a manic theater critic nephew (whose plans to marry are sorely interrupted when he discovers his aunts' hobby), and his two brothers Teddy (who believes he is Theodore Roosevelt) and Jonathan (a murderer with a heart of stone and the face of Boris Karloff). Students began rehearsing on March 6th, for next year's musical ("Hopefully *South Pacific*," says Mrs. White) practice will begin even earlier.

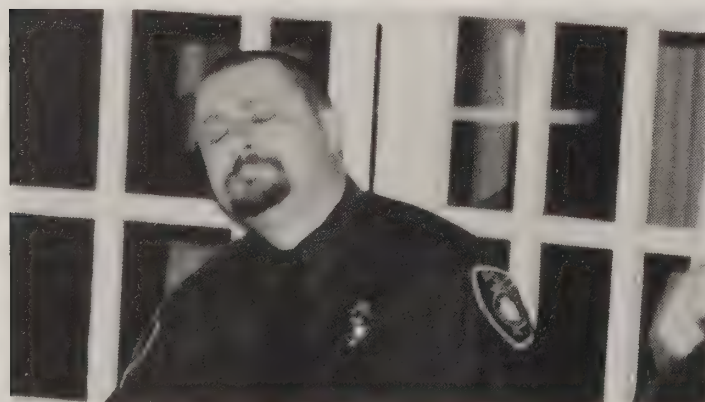

Contributed by Sam Wray

Nikki Dibling-Moore, Lindsey Robinson, and Chris Hios are into full character

# Graduation

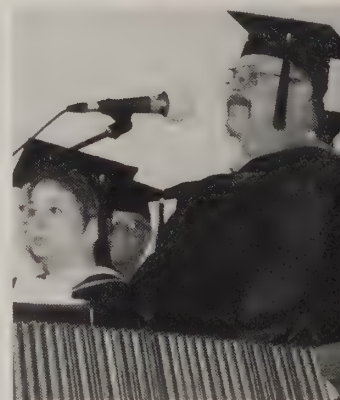

A time to remember!

Graduation is one of the most memorable events in one's lifetime. When you are young, you look forward to the day you walk across that stage. All during high school you strive to maintain your grades, come to school, and plan your future.

# Juniors ring in the new school year

The ring ceremony is a very special event for the juniors. It is a symbolic ritual that has been going on for generation to generation. The rings were ordered during sophomore year and received during junior year. This year's ceremony took place on October 12, 2000. The actual ceremony was held in the auditorium and there was a reception afterwards in the library.

## Some Personal Quotes!

"Considering everyone was playing for their first year, they did fairly well. If everyone just sticks with it, by the time we all hit Varsity, we will have a really good team, I believe."

**Allie Pearson**

"Although our record doesn't reflect a successful season, each player improved between each game. As a team, we played great soccer against some very good opponents. We are very excited about our chances for the next season."

**Coach McKay**

"Playing soccer for my first year was great. I learned a lot about teamwork, cooperation, and hard work. I couldn't have asked for a better team and I really look forward to this upcoming year."

## Kickin' It Up...

### With Lady Devils Varsity Soccer

The Lady Devils Varsity Soccer team faced a rough year. With the returning players filling only half the team, there was definitely work to be done. Day by day the team came together, running drills, trying positions and scrimmaging. After much time, and a few games, everything seemed to fall in place. New lineups were tested and goals were being scored, until things began to take a turn for the better. Under the coaching of Brian O'Neil, another new addition to the team, the girls became a team. It was the Colonial Heights game that seemed to be a turning point. With a score of 1-3, in a game predicted to be a pushover, Hopewell proved to stand their ground. From that point on Hopewell was a different team.

The Varsity Football team had a good overall season this year. They lost many key players from last year's graduation, but they still were able to show everyone who the real Blue Devils are. The team was most proud of their win against the Varina Blue Devils who they haven't been able to beat in many years. After the win, the spirits of the team were high. They were able to pull off enough wins to make it to regionals, where they won the first game against Huguenot, but lost the second game to Dinwiddie.

# Baby Devils Prepare for the Future

The JV Football team had a rough season this year with winning only three games. Despite the wins, they kept their spirits high all through the season and never gave up. The freshman team had an even harder season with winning only one game against Sussex. Even though the two teams had rough seasons with the lack of wins, they enjoyed the chance to learn the meaning of teamwork and practice for the years to come.

## Be Afraid Be Very Afraid

Wouldn't you be afraid if you were confronted by eleven girls on a field armed with sticks... I thought so. These girls are hard workers. Even though the girls had a tough season, they helped win Mrs. Cashion her 100th win. The team loses four seniors this year, opening postions to the hopeful JV players.

Lady Blue Devils  
Show Pride!!

In the above pictures the Ladies show their school and team spirit. They prove that ladies also enjoy playing in a male dominated sport.

**Varsity prove it takes a team to win!!!!**

The Lady Blue Devils have been on a roll. They have proven that they have the agility and the strength to pull off a successful year. Although they have a record of eight wins and 13 losses, they still came out as shining stars. It takes a team to go all the way, and they did just that. They worked as a team and proved themselves to be worthy of the name "Lady Blue Devils." They tried their hardest and had fun doing it. With a sport mostly dominated by males, these ladies have proven and given a lot of inspiration to younger females in Hopewell. The Varsity Lady Blue Devils were led by Head Coach Walter K. Broner. There were also two assistant coaches, Kelly Kirksey and Eddie Shelburn. Team Captain this year was Chere Lundy. The team Managers were Darcel Hill, Diandra Wright, Laquita Taylor, and Tiara McKeever. The team trainer was Jason Chadler.

When hearing he was teacher of the year, he was "Surprised and felt honored." He became a teacher because he liked working with kids.

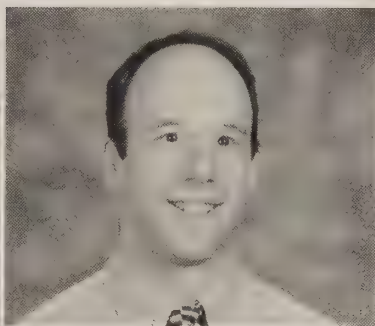

## 100 Wins

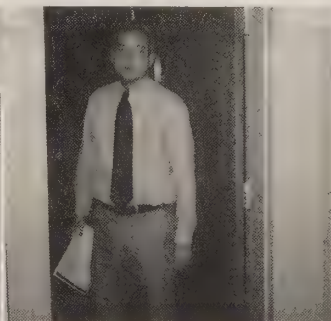

Mrs. Cashion has been coaching field hockey for 14 years. She also coaches Varsity Softball. The most rewarding aspect of coaching, according to her, is working with young ladies and watching them grow up. She says that every win is important however 100 wins designates a milestone.

Coach Broner has been coaching girls basketball for 13 years. He is too busy to coach any other sport. He says that the most rewarding aspect of coaching is visiting with ex-players and finding out that they learned something from you. He thinks that the 100th win is special because it is important to the coach but also important to the players and associates who helped gain this for them.

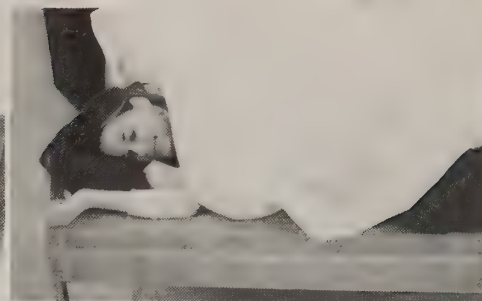

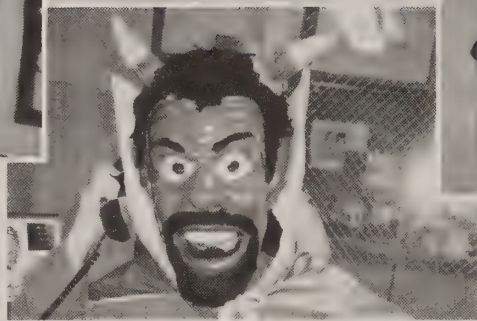

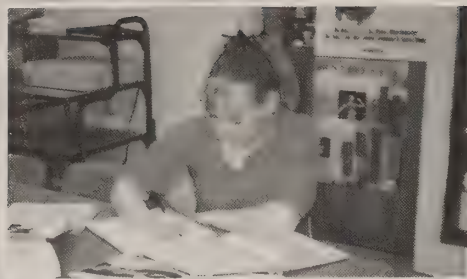

Coach Bennett has been coaching wrestling 11 years. It has taken him eight years to reach a hundred wins. He also coached girls soccer for three years. The most rewarding aspect of coaching is seeing players graduate. The 100th win is special because it shows the success of the students as well as the coach.

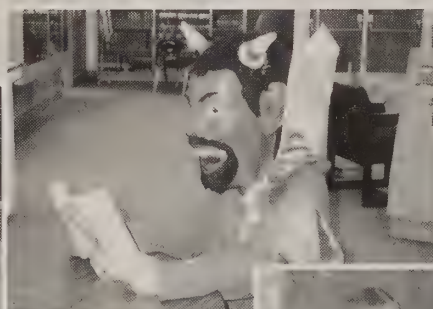

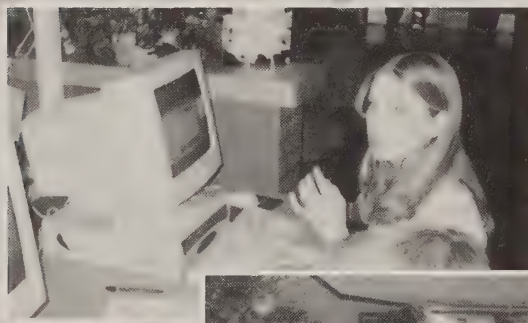

Mr. Witherow has been coaching golf for 19 years. It took him 18 years to reach his 100th win. Golf is the only other sport that he coaches. He thinks that the most rewarding aspect of coaching is helping young people develop self discipline. He thinks that the 100th win is special because it marks a longevity and dedication to the sport.

# Remember the Music !!!!!

The ballots are in and "Put it on Me" by Ja Rule and "Stutter" by Joe featuring Mystikal have won the two top spots based on a survey given to one English class per grade level. Other artists came close but not close enough.

Not only do the students at Hopewell High enjoy listening to music, but they enjoy playing and performing their own music. As you can see the band and choir classes are full of students ready to perfect their music genius.

Band students remember their music as they march toward the gym to bring spirit to the beginning of the pep rally.

Right: Band student Jerome Krammes concentrates on playing the right note.

Some of the Hopewell High School Choir members get ready to awe the audience with a superb performance.

# COLOPHON

This year the yearbook staff used a different method of selling yearbooks. Students filled out information through English class and Jostens sent a bill. The deadline was January 21. The cost of the yearbook was \$43. Options included a protective cover, a CD with the songs from the year on it, extra pages for autographs, and personalization with name and the choice of two icons. 350 copies were printed. With help from our Year tech-pro Program and our Yeartech Adobe page maker, the book was completed using desk top publishing. Our publishing company was Jostens Publishing. Our Jostens Representative is

Jan Defalco. Our Photography company is Life Touch, and the photographer is Darryl Nelson. The underclassmen portraits proofs were completed using PanelXpress. There are 168 pages in the yearbook, eight more pages than last year's book. The yearbook staff had sixteen members.
